

Adopt – A – School Locals Helping Locals

NYSUT's "Adopt A School" program helps union locals help each other in times of crisis with in-kind donations.

The Amityville Teachers Association (ATA) is participating this year, by helping a district in Binghamton, which was impacted by Hurricane Irene. The ATA has adopted the Binghamton district and is collecting donated school supplies, which will be sent directly to the district to help them in their time of need.

Any donations would be greatly appreciated! The following donations will be accepted: new school supplies, and gift cards to Lowes and Target. Please drop your donation at any of the below Amityville Schools and let them know that you are donating to the Adopt a School / Local to Local Program.
